

INSTALLATION GUIDE | **STONE**

1 PREPARE SURFACES

- Clean the table top and table base with a soft, clean cloth. Ensure table top and table base are dry and free of dust and debris.

2 APPLY ADHESIVE

- Spread adhesive evenly all over the top surface of the table base.

3 POSITION TABLE TOP

- Carefully position and align the table top over the table base before gently setting it down.

4 SECURE & WAIT

- Let the adhesive cure for at least 24 hours before moving or using the table.

5 CLEAN UP

- Remove and clean up any excess adhesive.

6 FINAL CHECK

- Ensure the bond is strong and test the stability of table top before using.
